Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56 the cited references are made of record on the enclosed sheet. It is believed that a copies of the references were furnished to the USPTO pursuant to the USPTO/EPO/JPO Trilateral Agreement.

A concise explanation of the relevance of these items is that these references were cited by the European Patent Office in the corresponding international application Serial No. PCT/ZA00/00024, filed 11 February 2000.

Respectfully submitted,

YOUNG & THOMPSON
